Education, Mother, Conveyence & Property

That at the time of your birth the Aries sign was rising in the fourth house is an encouraging trend. The general pattern it indicates is that the native will have an intelligent, dynamic mother who will dominate the domestic scene and steer the family members in a methodic, scientific way so that they may emerge as respectable citizens. As her efforts start yielding results, she will be so happy as to praise her offsprings before others. Since it is not easy to control such a strong character as your mother, you will have to tackle her with tact and patience to ensure a smooth flow of events at home.

There are clear indications of your inheriting a portion of the ancestral property and owning a sleek house in a posh locality. You may also have the advantage of possessing a vehicle.

Evincing deep interest in education from childhood, you will study studiously to acquire a high academic qualification. Maybe you will even succeed in a competitive examination. You will also learn something about occultism, which will help you improve your intuitive powers.

Your life of a luxury and pleasure may be affected in later years if you don't take steps to maintain sound health. The note of caution is necessary as there is a hint that you may have respiratory problems.

But the irony of it all, so far as you are concerned, is that the positive aspects of your birth sign may be negated by a hostile Rahu, stationed in Aries in the fourth house. You may face acute problems in your relations with your mother and within your own home too the environment may be very unpleasant. The chances of inheriting ancestral property being remote, you may decide on leaving the country and trying your luck abroad. You are capable of taking such an extreme step as you have plenty of guts which makes up for the lack of good education. And, after all your efforts, you can hope for a welcome turn for the better, as you may chance upon a hidden treasure.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.
